

WHY HIRE FIGMINT FOR YOUR PARTY?

Planning to celebrate a special occasion with loved ones can be exhilarating and lots of fun, but it can also be very overwhelming.

There are a lot of choices to be made. Who to invite? What food and drinks to serve? Will you need entertainment or hire equipment? What flowers and decorations will you require? And don't forget, all of this planning and organising has to be squeezed in somewhere between work, running the house and managing the kids.

There is also the pressure of being the glamorous host ensuring that your guests are having a great time and are being well looked after.

On average people spend over 90 hours planning a party for a special occasion.

Planning a successful celebration requires experience, expertise, knowledge and a fair amount of time.

SO HOW CAN WE WORK FOR YOU?

As soon as you have decided to take the plunge and throw a perfect party book in for our **FREE 15 minute no-obligation party consult**. We will listen and get a feel for exactly what type of party you would like to have & offer advice on how you can achieve it.
